

Membership

Our meetings at the Luther Burbank Art and Garden Center are generally free, potluck gatherings. However, if you decide to become a full fledged member, membership to the SCPN is only \$25 per year and is collected annually at our October meetings. Half year membership is \$12.50 and is collected usually in May. Our dues pay for the cost of renting the hall for the year.

When you become a member you may also take part in our board elections held every year at our October meetings. If you are a member you may also volunteer for a chance to be elected to a board position and help to shape the future of our organization as well as contribute to the Pagan community.

SCPN Gatherings

The Sonoma County Pagan Network was created in November 2002 for the purpose of providing a place where Pagans of many traditions and backgrounds could meet, socialize, learn from each other and gather in spiritual fellowship.

Today our membership has grown and we now hold our monthly gatherings every third Friday of every month at the Luther Burbank Art and Garden Center in Santa Rosa. Our meetings often feature guest speakers who discuss a variety of topics and who come from various traditions and practices. In addition, we also hold special open rituals at Samhain and Yule. We have Divination Night during our October meeting where you can meet and get a reading from our gifted diviners. Our meeting activities also include an occasional silent auction where you can bid on items and services donated by our members - from books, to magical tools, to therapeutic massages and herbal therapy.

During Litha or Midsummer in June we go on a group camp out. This is a two to three day event which includes a ritual circle, food, drink, fun and chance to be out doors and commune with the Goddess and God.

For information on upcoming events and guest speakers please visit our event calendar on our web site at www.scpagans.org

SCPN Online

The SCPN also has an online community and you can be a part of it by signing up to be on our e-list at www.scpagans.org/list.html. It costs nothing to join.

Online you will be able to meet other Pagans, learn and share information, find out about other Pagan oriented events going on in Sonoma County and other surrounding areas. You'll be able to ask questions, participate in online discussions, share experiences. Jump right in and tell us what you have to say or just hang out and "lurk" for a while before you chime in.

This is also a great way to get to know our members and learn more about the people of the SCPN before you decide to come meet us in person at one of our monthly gatherings.

Our web site has lots of information about our organization, articles about life as a Pagan, both mundane and magical and information and links to several Pagan friendly businesses, organizations and forums.
